

**Meeting With Director International Office,
Durham University**

Mr Khalid Saeed, Head,ERC had a meeting with Ms. Sharne Proctar, Director, International Office Durham University UK. In the meeting a brief introduction of the Energy Research Centre (ERC) and proposal for developing collaboration between the Durham University Energy Institute (DEI) and the COMSATS Energy Research Center (ERC) were discussed. It was agreed that collaboration in the areas like joint research projects and training of manpower on Renewable Energy Technologies, Energy Efficiency and Conservation Measures, Smart grids and Energy Policy Research can be developed.
